

» The Exegy Ticker Plant Promise

Exegy agrees to:

- » Lease to you a redundant pair of Exegy Ticker Plant appliances.
- » Install the appliances at your preferred data center or extranet provider.
- » Provide the ability for you to connect up to 32 user applications per Exegy Ticker Plant pair through a standard interface.
- » Maintain and upgrade your installation (hardware, firmware, feedhandlers and software) so that you are continually operating Exegy's best product throughout the term of your lease.
- » Remotely manage the Exegy Ticker Plant from our operations center.

Client agrees to:

- » Pay \$30,000 (plus applicable taxes) per Exegy Ticker Plant pair per month for a 24-month lease period.
- » Pay a \$50,000 one-time installation and setup fee.
- » Pay all exchange, communication and hosting fees.
- » Provide a network link to the Exegy Ticker Plant for use by Exegy's operations center.
