

The Exegy Promise

Exegy agrees to:

- » Provide to you a redundant pair of Exegy appliances, or a single non-redundant appliance, at the client's discretion.
- » Install the appliances at your preferred data center or extranet provider.
- » Maintain and upgrade your installation (hardware, firmware, feedhandlers and software) so that you are continually operating Exegy's best product throughout the term of your contract.
- » Remotely manage the Exegy appliance from our operations center.

Client agrees to:

- » Pay all exchange, communication and hosting fees.
- » Provide a network link to the Exegy appliances for use by Exegy's operations center.
- » Pay a fixed monthly fee per Exegy appliance, or redundant pair, for a 24-month period.
- » Pay a one-time installation and setup fee.
